July 16, 2001

Application No. 34

Office of the Secretary  
Federal Communications Commission  
Washington, D.C. 20554

ATTN: Common Carrier Bureau

This Application for Special Permission requests waiver of Sections 61.58 and 61.59 of the Commission's Rules to allow ALLTEL Telephone System (ATS) to modify material filed on 1st Revised Page 17-5, 2nd Revised Page 13-19 and 6th Revised Page 17-57.0.1 of its Interstate Access Tariff F.C.C. No. 1.

ALLTEL submits that a grant of this request will allow ALLTEL to correct rates, which were inadvertently filed in error. The attached illustrative tariff page shows the correct rate which coincides with the cost support filed in the Federal End User Universal Service Fund Charge Exhibit EU-USF of ALLTEL's June 18, 2001 annual tariff filing. Accordingly, a waiver of Section 61.58 is requested to allow ALLTEL to make this filing on not less than one days notice, to become effective July 18, 2001. A waiver of Section 61.59 is requested to allow ALLTEL to change material not yet in effect.

In addition ALLTEL is requesting a waiver of Section 61.58 to allow filing on not less than one days notice for removal of the Unauthorized PIC Change regulations and charge. Granting of this waiver will allow ALLTEL to comply with the Commission's recently revised rules pertaining to the practice of slamming.

Pursuant to Section 61.153(b) of the Commission's Rules, the original letter, F.C.C. Form 155, and a check for \$655.00 to cover the filing fee, is being delivered via the same day courier service to the Wholesale Lockbox Shift Supervisor c/o Mellon Bank.

This request for special permission has been filed electronically with the FCC using the ETF system. All correspondence and inquiries in connection with this Application should be directed to Chris Cranford at (501) 905-6856. Mr. Cranford's fax number is (501) 905-5087.

Respectfully submitted,

Jeffrey W. Reynolds  
Vice President-Access and Interconnection Pricing
